Salutes the Horticulturalists of the World and is pleased to be a member of the  
International Camellia Society

As the most important Agricultural Establishment of the Iberian Peninsula, the  
House having been established for 113 years, we operate the following  
departments:—

**TREES AND SHRUBS - AGRICULTURAL AND GARDEN SEEDS  
CHEMICAL FERTILIZERS - INSECTICIDES**

In our two large Nurseries we have a most complete collection of Fruit and Forest  
Trees and a fine stock of Conifers and Shrubs for the garden

**We offer many beautiful varieties of CAMELLIAS**

All our shrubs are pot-grown and can be transplanted without root disturbance.  
Our Annual Catalogue is distributed without charge in late September.
